

DRESS CODE

Students of Shawnee Mission Christian School will abide by the following guidelines and requirements for school dress. Although dress style and other personal standards in and of themselves do not denote spirituality, no aspect of the Christian testimony is as obvious as that which relates to appearance. While we realize that the Bible does not specifically tell us how we should dress or how our hair should be cut, it does give us some principles to apply. In light of these principles, we are setting the institutional standards for our school. It is not our intention to say that a Christian who does not meet our standards is sinning, but only that our students must meet the standards in order for us to be consistent in our enforcement. General Scriptural guidelines for dress are:

- **Modesty** (I Timothy 2:9; II Timothy 2:22)
- **Distinction** (Deuteronomy 22:5; I Corinthians 11:14 – 15)
- **Identification with the Lord and not with the world** (I Timothy 4:12; Romans 12: 1 –2; I John 2: 15 – 17)
- **Appropriate** dress for the occasion.

GENERAL GUIDELINES

Clothing should be neat, clean, in good repair, and modestly fitted. Parents have the primary responsibility in teaching students to live by standards of Scripture. Parents are responsible to send their children to school with correct dress and grooming. Students will be counseled privately about violations in dress code and will be sent home to change into acceptable attire or be required to call home for parents to bring a change of clothing. An unexcused absence will be issued for time away from school to make necessary changes. Because of rapidly changing fashions, the administration reserves the right to adjust dress standards as necessary and to determine if dress or appearance is not appropriate and acceptable as per established standards.
